

Grant Acquittal Form

Grant recipients are required to acquit grants given by the Rebecca L. Cooper Medical Research Foundation within 12 months of receiving the grant, or sooner, if all funds have been expended. Please attach proof of expenditure **in addition** to completing the Grant Acquittal Report.

An important requirement of the Grant Acquittal Report is that it be signed by the recipient organisation's CEO or CFO attesting to the full expenditure of the granted sum.

The Foundation's directors will not accept applications for additional grant funds from organisations that have not fully acquitted all grants previously received from the Foundation.

Please email your acquittal to grants@cooperfoundation.org.au
